3G+ Mobile Broadband Wireless-N Router
MBRN3000   Data Sheet

N300

2.4 GHz

Wirelessly share your 3G+ high-speed broadband connection virtually anywhere

- Create instant WiFi hotspots where DSL/cable is not available—rural locations, satellite offices, special events, and RVs

- Broadband Usage Meter measures your Internet traffic to help avoid excess usage charges

- NETGEAR Live Parental Controls keeps your Internet experience safe

- USB docking station provides optimal 3G+ reception by placing the router where the signal is strongest

- Highest WiFi and WPA security available from attacks and unwanted "guests"

- Compatible 3G+ USB modems—View a current list of compatible 3G+ USB modems and mobile service providers at www.NETGEAR.com/3G

- Convenient Universal Car Power Adapter available separately— Visit www.netgear.com/carp1000 for online availability

Universal Car Power Adapter (CARP1000)

- Save energy with the convenient WiFi on/off and power on/off buttons

- Easily connect multiple clients to the router with a single button push with Push 'N' Connect

Use with
3G+
Broadband networks

Live Parental Controls
