Verit task light for Farnell

13 watt high frequency

DESIGN: NICO INDUSTRIAL DESIGN

The right light

LUXO

8163 Verit

Verit is the updated version of Luxo's popular T-88. It now benefits from a high frequency ballast and 13 watt lamp for greater light output, and is a highly versatile and flexible task light. The shade can be adjusted and set to almost any position, horizontally, vertically or laterally. The stability of the easily adjusted spring balanced arm ensures that the head will remain in the desired position.

Light source: 13 watt
compact fluorescent
Arm length: 900 mm
Accessories: Table base
Supplied with table bracket
