Laptop holder

This newly designed holder for the keyboard tables "Omega" 18810, 18950 and 18953 provides a good view of your laptop. You won't find a more versatile laptop holder. There are 8 different tilt positions for the laptop support. In addition the holder can be attached to any of the legs of a keyboard stand. The adjustable stop pins mean the laptop connections are always accessible. The support shelf is also suitable for small items of equipment, e.g. an iPad.
