

# Tranquillity

The Tranquillity range of blankets are made with luxuriously soft fleece for ultimate warmth and comfort. Easy fit design with a deep elasticated skirt which fits to your entire mattress just like a fitted sheet. More coverage = more comfort and protection for you and your mattress.

Power boost technology heats the bed in approx. 10 minutes and has a variable heat timer that will automatically switch the blanket off after 2, 6, 9 or 12 hours. Suitable for all night use as the in-built 'Sleep Safe' Safety System with full overheat protection looks after you as you sleep, for total peace of mind.

## Features

Made from 100% luxuriously soft fleecy Polyester

Fully fitted with a deep elasticated skirt

Detachable controller(s)

Fast heat up time

6 heat settings including a pre-heat facility

Power light indicator shows when the blanket is turned on and flashes when the timer has finished

Extra foot warmth
