

Features:

- A range of hardened and tempered tool steel punch and die sets to produce complex shapes in one stroke
- These tools are designed to cut the standard 'D' connector profile for either front or rear mounted connectors
- The tool fits onto the Manuform 3000lb press and should be used with a suitable stripper to allow easy workpiece removal
- Incorporated in the unit are punches to cut the 3.2 mm mounting holes as part of the press operation
- Slugs can easily be removed via the base plate recess, using either a small drift or screwdriver

Specification Table

Description	Recommended Stripper	Part Number
9-Way Front Punch+Die for D-Connector	902-0050	908-0010
9-Way Rear Punch+Die for D-Connector	902-0050	909-0010
15-Way Rear Punch+Die for D-Connector	902-0050	909-0020
