6 ft DisplayPort to DVI Cable - M/M

StarTech ID: DP2DVI2MM6

The DP2DVI2MM6 6 ft DisplayPort® to DVI Cable (M/M) lets you connect a DVI monitor to a DisplayPort video card/source. Providing a connection distance of 6ft, the adapter cable features a male DVI connector and a male DisplayPort connector, allowing you to make a direct video card-to-display connection, as opposed to having to use a separate DVI cable and DisplayPort adapter, or vice versa.

The DP to DVI adapter cable is a convenient, cost-effective solution for taking full advantage of your DVI display, without the expense of upgrading to a DisplayPort monitor. The cable offers high quality construction and supports high bandwidth video resolutions up to 1920x1200 or HDTV resolutions up to 1080p.

DP2DVI2MM6 is a passive adapter that requires a DP++ port (DisplayPort++), meaning that DVI and HDMI signals can also be passed through the port.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- The DisplayPort to DVI cable allows for an easy and hassle free connection to any DVI-D (digital) display
- Keep your existing DVI display for use with newer DisplayPort systems

Features

- Supports resolutions up to 1920x1200 and HDTV resolutions up to 1080p
- No software or additional drivers required
- All-in-one cable design

Technical Specifications

Warranty	2 Years
Audio	No
Converter Type	Passive
Connector Plating	Gold
Cable Jacket Type	PVC - Polyvinyl Chloride
Connector A	1 - DisplayPort (20 pin) Male
Connector B	1 - DVI-D (25 pin) Male
Maximum Digital Resolutions	1920x1200 / 1080p
Color	Black
Cable Length	1.8 m [6 ft]
Product Length	1828 mm [72 in]
Product Weight	158 g [5.6 oz]
Note	DP++ (DisplayPort++) port is required on video card or video source for DVI and HDMI pass-through.
Shipping (Package) Weight	0.2 kg [0.4 lb]
Included in Package	1 - 6 ft DisplayPort to DVI Cable - M/M
