

Slope-It™ Bin Insert

Converts existing AkroBins® to a slope-bottom bin

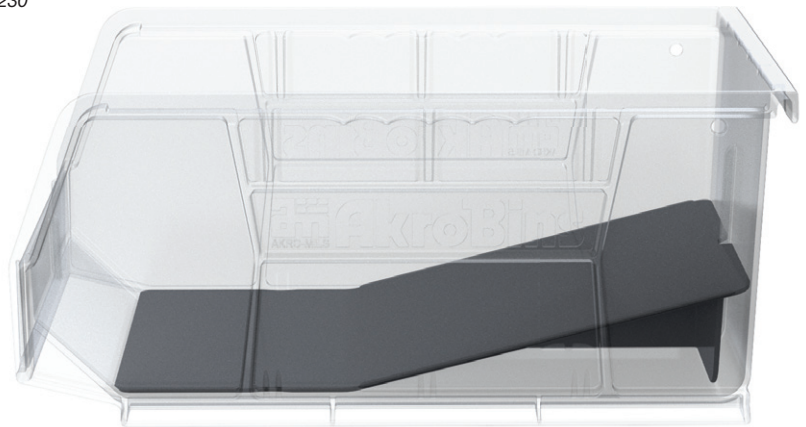

- Maximize efficiency in Lean environments
- Improve the visibility of supplies

Keep parts close to the front of the bin within easy reach

- Transforms existing AkroBins to a 15-degree slope-bottom bin
- Sloped bottom keeps contents close to the front of the bin for easy retrieval
- Provides easy visibility of parts/supplies
- Tight-fitting wiper seals keep parts from migrating underneath
- Easy installation
- Can be removed and reused
- Textured surface minimizes the appearance of scratches and helps contents move forward

The unique sloped insert directs parts to the front of the bin without impeding the normal hanging or stacking capability of the bin
