660TC

The 660TC analogue soldering station from Antex is a complete temperature controlled station which has been designed to be wall or bench mounted

Features

- Station includes power supply, ST6 iron stand and a lightweight 50W industrial grade soldering iron fitted with silicone heat-resistant cable and a 2.3mm (1100) bit
- Temperature range continually adjustable from 65°C to 425°C
- LEDs indicate mains power and iron power
- Housed in a robust ABS enclosure, which is suitable for the most demanding industrial and educational environments
- Replacement bits and soldering irons are available separately
- Fully compatible with the latest European **EMC** and **CE** regulations
- Supply voltage - 230V AC
- Iron voltage - 24V
- Power - 50 Watts
- Leakage current <2.0µA
