

Data Sheet.

Weller part no.	T0053266399
Description:	Hot air solder / desolder station type WAD 101
Comprises	Power unit part no. T0053268399 HAP 1 hot air pencil Safety rest KH27 Hot air nozzle R 06, 0.3mm dia Hot air nozzle R 04, 1.2mm dia
Mains lead	UK
Supply required	Electric, 230V 50Hz Pneumatic , air pressure max 4 bar oil free dry
Temperature range	Hot air 50C to 550C Soldering iron 50C to 450C / 550C dependant on soldering iron
Temperature accuracy	Hot +/- 30C Soldering iron +/- 9C
Temperature display	Digital red LED
Temperature set	Up/down push buttons.
Hot air delivery	variable 0 to 10 l/min, via side mounted regulator
For use with	HAP 1 hot air pencil and all WSP/WP series soldering irons
