

3M™ PF24.0W Privacy Filter for Widescreen Desktop LCD Monitors

3 Print30 Share UPC # 00051128787281 CAT# PF24.0W

3M™ Privacy Filters keep confidential information private. Data is visible only to persons directly in front of the monitor; passersby see only a dark screen. Improves screen contrast and reduces screen glare and reflections.

- PF24.0W fits widescreen size desktop LCD monitors with a diagonally measured 24" viewable screen
- Actual filter dimensions are 12 3/4" high x 20 7/16"
- This filter is designed for widescreen LCD monitors that appear more rectangular than square have a 16:10 aspect ratio
- Utilizes 3M's microlouver privacy technology so only persons directly in front of the monitor can see the image on screen
- Reversible for either glossy or matte screen finish
- Protects fragile LCD screens from scratches and abrasions
