Description

Tripp Lite's P120-08N DVI to VGA adapter cable allows you to attach a VGA enabled monitor or projector to your computer's DVI-I port. DVI-I enabled computers are capable of outputting both Analog and Digital signals, so this adapter cable is perfect for connecting VGA LCD monitors, projectors, etc. Fully molded construction and double-shielding ensures long life and high performance. Supports computer video resolutions up to 1920 x 1200, and HD video resolutions up to 1920 x 1080 (1080p).

Features

- Connect a VGA monitor to your computer's DVI-I port
- Double shielded and fully molded construction
- Supports computer video resolutions up to 1920 x 1200, and HD video resolutions up to 1920 x 1080 (1080p)
