GCN Number

Series	74099 and 70543	November 25, 2014
--------	-----------------	-------------------

Date Issued

Reason For Change	Change In Packaging Specifications
-------------------	------------------------------------

Change Description	This letter is to inform you that Molex will be separating product types SL Vertical and SL Vertical SMT on different packaging specification. This change is being made as part of Molex continuous improvement and to eliminate confusion of the proper packaging between the two product types. • Series 74099 will be on packaging specification PK-70873-9000 • Series 70543 will be on packaging specification PK-70873-9100 These series are referenced on each respective print and are available on molex.com or by request. The part number 705430504 was removed from the SD-70543-0001. There are no changes to the MOQ or unpacking method associated with this change.
