TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Additional Capacity

Description of Changes

This is part of the Global Automotive Localization efforts: capital has been invested to purchase new equipment in order to produce these parts locally in Pegg Road, Greensboro, NC, USA. New shipping location will be NCDC

Reason for Changes:

Product improvement.Current demand in EMEA has San Salvo out of capacity and with new launch product needing a production location, this additional global capacity is needed in order to retain this revenue within TE.
