

## USB2.0 Boosted A to B Cable

Details correct on: 13/10/2016

<b>Notification</b>	
<b>Product Code</b>	USB2-PREXT15M
<b>Short Description</b>	USB2.0, A to B, Boosted, 15mtr
<b>Full Description</b>	<p>The A Male to B Male Active USB2.0 Cable is a bus-powered cable that can be used to increase the length of a device cable without the worry of signal loss and potential performance problems.</p> <p>The specification for USB states that the maximum length of a USB cable is 5 metres. These cables allow you to connect your printer or other USB device at a greater distance. The cables contain active electronics which boost the USB signal for maximum reliability and performance over extended distances.</p>
