Over View:

This kit includes the Brady BBP®33 Printer which prints slide labels, tissue cassette labels and more with increased ease of use, no calibration steps and no wasted labels.

- No calibration or wasted labels - the BBP®33 Printer "reads" your cartridges and then automatically sets up the label correctly in your Brady software.
- 20 second material changeovers with foolproof "drop-in" ribbon and label cartridges.
- Impressive material lineup - with over 550 parts and 40 materials, this printer meets your primary labeling needs and so much more.
- Includes the Brady360® 5 year warranty that covers repair parts & labor, one print head replacement, a free loaner printer, a setup session, and more.
