

3M™ Indoor Safety Eyewear, Clear Frame, Clear Lenses, Contractor Pack

Details

Protect your eyes and stay focused on the task at hand with the help of 3M™ Safety Eyewear. An excellent choice for you and all of your crew, these safety glasses help block small flying objects or particles, while providing essential protection from harmful UV rays. The sleek, wraparound design offers a flush, low-profile look. They're available in two lens types, clear and tinted—so there's a great pair for your job. Maintain great visibility while keeping your eyes safely shielded with the scratch-resistant protection of 3M™ Safety Eyewear.

- Durable lenses help provide limited protection from light to moderate impact hazards
- Contoured design
- Lightweight - weighs less than 1 ounce
- Scratch-resistant coating helps keep vision clear
- Impact-resistant lenses block 99.9% of UV rays
- Meets the requirements of ANSI Z87.1
- Clear lenses help provide excellent visibility and can be used indoors or outdoors
