To Whom It May Concern:

PCN 4925E implementation date delay notification

Littelfuse Inc. would like to notify you that **PCN 4925E** implementation date related to TMOV[®] Varistor Series Halogen Free Epoxy will be delayed to 2H 2019 due to unforeseen delay of the new halogen free epoxy supply. We will publish a new PCN once the new implementation date is finalized.

If you have any questions or concerns, please let us know. Thank you for your continued support.

Best Regards
Johnny Chang
