XESD1191

PENDANT STATION CONTACT 600VAC 10A XE

Main

| Range of product | Harmony XAC |
|-------------------------------|------------------------------|
| Product or component type | Contact block |
| Component name | XESD |
| Electrical circuit type | Power circuit |
| Contact block application | Single speed |
| Contact block type | Double |
| Type of operator | 2 spring return |
| Product compatibility | XACB |
| Mechanical interlocking | With mechanical interlocking |
| Contacts type and composition | 2 NO |
| Poles description | 2-pole |
| Mounting of block | Front mounting |
| Contact operation | Snap action |

Complementary

| Horizontal fixing centres | Connections - terminals | Screw clamp terminals, connection capacity: 1 x 2.5 mm² with or without cable end Screw clamp terminals, connection capacity: 2 x 1.5 mm² with or without cable end |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| S00000 cycles | Horizontal fixing centres | 40 mm |
