RB5-8 Self Adhesive Clip

Wires, cables or hoses can be quickly and easily installed using these one piece fixing clips.

These clips are ideal for use in applications which are difficult to access, or for areas where self adhesive is the only possible fixing method (for example where fixing 'holes' would be unacceptable).

Base Data**Colour**

Natural (NA)

Package Content

500

Quantity per

Bag

Material and Specifications**Adhesive**

Synthetic rubber with base of Polyethylene foam

Adhesive Operating Temperature (Metric)

-40 °C to +60 °C

Flammability
