

Mustek

BearPaw

The Mustek BearPaw is the next generation in scanning. It has a slim profile, designed with decor in mind. And, it includes five easy-to-use buttons on the front of the scanner, which are attached to unique functions such as scanning, faxing and emailing.

We've included all of the tools necessary in one easy-to-use package. Photo Express SE is ideal for all your image-editing needs, allowing users to create greeting cards, calendars, slide shows, screensavers and more. Also included is TextBridge Pro, the award-winning OCR application.

The BearPaw is not only slim and sleek, adding esthetics to any computing environment, the five-button interface and USB connectivity increases ease-of-use and functionality.

It's a great addition to any scanning environment!
