

IINTRODUCTION

This is Gravity 4Pin sensor adapter which is special designed for 4Pin sensor. We have optimized its connection interface to make it compatible with gravity interface. And the press type terminal will provide you a good experience for the wire connection, press and connect. The adapter has two kinds of power supply, 3.3V and 5V power switch, easy to use and good compatibility

FEATURES

- 3.3V/5V Power Switch
- Press type connection type

SPECIFICATION

- Input Voltage: 3.3 / 5V
- Output Voltage: 3.3 / 5V
- Interface Type: Gravity-4Pin
- Dimension: 35mm x 27mm / 1.38 x 1.06 inches
- Weight: 16g
