

Photocentric

Photocentric Magna 3 Year Extended Warranty

Warranty Extension

Extend the standard 12-month manufacturer Warranty of your Photocentric 3D Printer with 3DGBIRE™'s extended Warranty option to 36 months.

3DGBIRE offers a Warranty Extension to the Manufacturer Warranty, this extends the Warranty from 12 months to cover 36 months from the date of purchase.

3DGBIRE is the official Photocentric after sales and support partner for the UK and Ireland. When choosing one of our extended warranties, the best service and support for your Photocentric 3D Printer is guaranteed.

Includes:

- 36 months cover on all Manufacturer Warranty parts | Extended from 12 months to 36 months
- Labour of the fitting of the replacement parts (Excludes consumables)
- Full certificated machine service
- Lifetime expert telephone & email support
- Collection & return delivery
