Long Paragraph  
(Approximately 100 words)  
Side Hustler

The LabelWriter™ 5XL Printer is the ideal choice for ecommerce sellers, printing 4" x 6" shipping labels directly from eBay®, Amazon™, Etsy™ and many others. It's compatible with many major shipping carriers and third-party software, and produces warehouse labels, barcodes and ID labels, bulk mailing labels, and other large-format label types with ease - meeting all of your professional labeling requirements.

Unique new automatic label recognition technology means no more guessing at the right label type from a drop down menu. You'll always know what size, type, and colour label is loaded, and you'll never run out mid-print again.

Direct thermal printing technology replaces the need to buy costly ink or toner printing is high-speed with a typical output of up to 53 labels per minute, and precise label quantities are produced without the need to wrestle with sheet labels.

Large label printing for ecommerce just got a whole lot quicker, easier, and simpler.

Long Paragraph  
(Approximately 100 words)  
MRO

The DYMO® LabelWriter™ 5XL accommodates the printing of large (wide-format) labels as standard, making it a great choice for all of your professional labeling needs, from safety and storage to barcoding, asset tracking, signage, and more.

Direct thermal technology removes the need for costly ink or toner, and intelligent DYMO® Connect for Desktop software connects your PC or Mac for a range of stylish design possibilities.

Unique new label recognition technology means no more guessing at the right label type from a drop down menu. You'll always know what size, type, and colour label is loaded, and you'll never run out mid-run again.

Direct thermal printing technology replaces the need to buy costly ink or toner printing is high-speed with a typical output of up to 53 labels per minute, and precise label quantities are produced without the need to wrestle with sheet labels.

Large label printing for business just got a whole lot quicker, easier, and simpler.
