

ANSMANN Lithium-Thionylchloride Battery ER14250 / 1/2AA

- ANSMANN brand quality for everyday use
- Excellent value for money
- Low internal resistance for faster power delivery
- High energy density
- Exceptional energy performance with low weight
- Reliable operation even at extreme temperatures of -55 - 85 °C
- Long shelf life of up to 10 years

INFORMATION

Product name Lithium-Thionylchlorid Battery
ER14250 / 1/2AA

Article number 1522-0037-1

EAN-Code 4013674187560

Tariff number 85065010900

Scope of delivery 1 Lithium Battery ER14250 / 1/2AA

Packing + Product 60 × 80 × 24,5 mm / 10 g

Outer packing and qty 650 (360 × 280 × 250 mm)
