# Wire Stripper

Description

Automatically adjusting to the diameter of the wire, this two-in-one wire stripper and cutter is the ideal product for repeated, swift wire stripping. Fully insulated for all stranded and solid conductors from 0.2 to 6mm2, the product possesses blades housed in a reinforced polyamide casing contoured to fit comfortably into the hand for extended periods of use encountered in electrical assembly industries.

Features

• Automatic wire stripper for all common stranded and solid conductors of 0.2 - 6mm^2 (24 - 10 AWG)
• Adjustable length stop of 5 to 12 mm (removable if required)
• Easily accessible built-in side cutter for maximum Ø2 mm
