

## Product Datasheet

**Product code:** **708.SV**

**Product type:** Full Plastic Tweezers

**Made in:** Switzerland

**Description:** Type 708 full Plastic tweezers are suitable to applications which require holding a very fragile small component. The bent geometry provides maximum visibility and increased ergonomics. The Carbon Fiber reinforced ESD PVDF Plastic provides the tweezers with ESD and exceptional non-scratching properties combined with excellent chemical resistance.

**Tip description:** bent, very fine, short

**Body material:** PVDF (SV)
