

Product Datasheet

Product code: TSD18AS

Product type: Solvent Dispenser

Made in: Singapore

Description: TSD18AS is an ESD safe safety solvent dispenser with a capacity of 180 millimeters and anti-splash system. Ideal for a wide range of applications in the electronic industry as well as for chemistry and medical laboratories. The dispenser avoids evaporation and contamination, while its geometry prevents spills and dripping that may endanger the technician.

Tip material: S (AISI 304)

Body material: HDPE
