

## Description

Specially designed for accurate flush cuts in plastic and resin, this precision side cutter removes parts cleanly with minimal clean-up required. Ideal for removing parts from sprues, trimming and preparing parts.

Lightweight and comfortable to use, with sharp blades for easy cutting, the precision cutter will save you time and energy by making clean cuts first time. Perfect for modelling and craft projects.

Note: This cutter is designed for use with plastic & resin, cutting hard material such as metal may damage the blades.

## Features

- Slim angled blades for precise cuts
- Hardened carbon steel jaws
- Sharp flush cuts with minimal clean-up
- Comfortable handle
- Ideal for plastic & resin
- An essential tool for miniature building, crafts and more

## Part Number Table

Description	Part Number
Angled Cutter	MP012517
