

2-to-1 RJ45 Splitter Cable Adapter - F/M

Product ID: RJ45SPLITTER

The RJ45SPLITTER 2-to-1 RJ45 Splitter Cable Adapter increases the number of RJ45 network connections on an RJ45 outlet, allowing two 10/100 Ethernet signals through a single Cat5/Cat5e wire.

On one end of the installation the splitter enables you to connect two patch cables from a hub or switch to a single port on a patch panel; while on the other end of the installation the splitter connects to a single Cat5/Cat5e network drop through a wall outlet which can then be split and connected to two separate devices. The patch panel and wall outlet are connected through a single Cat5/Cat5e cable.

Designed and constructed for maximum durability, this Ethernet Splitter Cable is backed by StarTech.com's Lifetime Warranty.

Certifications, Reports and Compatibility

Applications

- Allows two 10/100 Ethernet signals through a single Cat 5/5e wire
- Cannot be used to share a single network line with two computers - use a hub instead
- Ideal for 10/100Mbps Ethernet application (Not suitable for Gigabit network (1000Mbps))

Features

- **RJ45 SPLITTER:** This RJ45 cable adapter enables two 100Mb network connections from a single 8 wire network connection, without the need to run additional cables
- **EASY INSTALL:** RJ45 splitter cable is easy to use and install; Combine two Ethernet ports into one RJ45 wall outlet and then split one Cat 5/5e line back out to two devices through the wall outlet at the other end of the connection
- **RELIABLE AND DURABLE:** The RJ45 adapter provides a stable connection for two devices, allowing you to work efficiently without any interruption
- **IMPORTANT NOTE:** This adapter cannot be used to split a network connection in two ports; The adapter is meant to be used in pairs, for example to connect 2 devices on the destination side with 2 Ethernet ports on the source side over a single cable run
- **THE IT PRO'S CHOICE:** Designed and built for IT Professionals, this RJ45 splitter is backed for life, including free lifetime 24/5 multi-lingual technical assistance
