86 04 100

The KNIPEX Pliers Wrench Family has Grown

Every size is perfect for gripping, holding, pressing and bending.

One-handed adjustment by simply sliding the handle

Small enough to fit in your pocket for EDC (every day carry)

The Pliers Wrench XS features a high lever transmission ratio which allows it to grip, press and hold material tightly

Part Number	↔		Pliers	Handles	Adjustment Positions	⊞		⚖
	inch	mm				Ø inch	mm	
86 04 100	4	100	chrome plated	embossed, rough surface	10	3/4	21	0.15
86 04 100 SBA	4	100	chrome plated	embossed, rough surface	10	3/4	21	0.15

SBA signifies hang-up packaging (POP Carded)
