

USB4 Type-C to Type-C Cable 4K 60Hz Black 1Mtr

Part No: 2561F-1

The USB Type C to Type C Cable is an ideal way for connecting smartphones, tablets and other devices to PC's and chargers that have a USB Type C socket. This cable allows a data transfer rate of up to 40 Gbps and offering a charging output of 48V 5A (240W).

Features & Benefits

- This USB Type C cable is an ideal addition for greater flexibility when connecting smartphones or tablets to PC's that have a USB Type C socket in a wide range of applications
- Designed to allow a data transfer rate of 40 Gbps and offering a charging output of 48V 5A (240W) supporting resolutions of 4K@60Hz
- The USB 4 Type C connector is smaller and more symmetrical than its predecessors, allowing it to be reversible and used either way up
- Plug and Play - no additional software required
RoHS, REACH and CE compliant
