

INTRODUCTION

The Delta 19V 90W AC/DC Adapter (5.5*2.5mm) is a versatile power adapter equipped with three types of plugs: American, European, and British, making it suitable for use in different regions. The adapter features a straight head and a plum blossom tail design, providing stable and reliable power for various devices. Whether for home office, travel, or other occasions, it can provide long-lasting power support for your devices.

The Delta 19V 90W AC/DC Adapter has an input voltage range of AC 100~240V, an output voltage of DC 19V, and a power of 90W. It is a high-quality and multifunctional power adapter. It is not only suitable for [LattePanda Mu Full-Function Evaluation Carrier Board](#), but also provides reliable and stable power support for other compatible devices, ensuring efficient operation at all times!

Note:

Before plugging or unplugging LattePanda Mu Full-Function Evaluation Carrier Board, or any other devices, as well as any cables or internal interfaces, it is essential to disconnect the power source.

SPECIFICATION

- Rated Voltage: 19V
- Rated power: 90W

- Input Voltage: 100~240V/50~60Hz
- Output Voltage: 18.55V~ 19.95V when the load is 0A ~ 4.74A steadily
- Operating Temperature: 0~40°C
- Storage Temperature: -20~85°C
- Dimensions (Adapter): 127.0 * 51.0 * 30.5 mm
- DC Cable Length: 1800mm
- Power Cord Length: 1000mm
- Certifications: CISPR 22 Class B, VCCI Class B, FCC

SHIPPING LIST

- Delta 19V 90W AC/DC Adapter x1
- US standard three-plug straight head plum blossom tail power cord x1
- EU standard three-plug bent head plum blossom tail power cord x1
- UK standard three-plug bent head plum blossom tail power cord x1
