

## Cat6 RJ45 Coupler Shielded (8x8) Panel Mount Style

Item # ECF504-SC6

### Description

L-com's ECF panel mount RJ45 Coupler line combines innovative design with an affordable price. With a solid die-cast metal mounting frame, these unique RJ45 coupler kits allow panel mounting in virtually any panel thickness. Designed to work with EIA/TIA 568A and B wiring, these RJ45 couplers offer a reliable method to pass high-speed data communication through a chassis or rack panel. RJ45 coupler options listed include Category 3, 5E,6 and 6a performance ratings in both Shielded and Unshielded versions. RJ45 coupler kits include a snap-in coupler, mounting frame and 4-40 machine screws. Order online today!

### Features

- Category 6 performance ratings facilitate high-speed data communication
- Fully stamped shielding (shielded versions) offers isolation from EMI/RFI
- RJ45 Female connectors and straight through wiring for network system compatibility

- Flange kit includes a snap-in coupler, mounting frame and 4-40 machine screws
- RJ45 coupler is EIA/TIA 568A/B compliant ensuring compatibility and reliability in your application
