Product description

Bring your music to life with this powerful 2-way speaker. With an impressive power of 300 W (8 Ω), this speaker delivers a sound experience that will amaze you. The 8" woofer and tweeter work harmoniously to provide clear highs and deep bass, resulting in an immersive sound for every music genre. Whether you enjoy movies, music, or games, this speaker will surely delight you.

- ✦ **Sturdy and versatile:** This speaker is designed to be robust and suitable for all conceivable applications. Whether you're a musician, DJ, or audio enthusiast, this speaker performs at a top level and suits various situations.
- ✦ **Excellent value for money:** This speaker offers impressive sound quality and durability at a very attractive price. You get value for your money without breaking the bank.
- ✦ **Smart design:** With a metal protective grille and corner protectors, this speaker is built to last. It can withstand wear and tear and continues to look good, even after intensive use.
- ✦ **Convenient connectivity:** The speaker features gold-plated connections for banana plugs and 6.35mm jacks, allowing you to easily connect various audio sources and enjoy clear sound.
- ✦ **Easy transport and installation:** With built-in handles and a metal stand holder (Ø 35mm), this speaker is highly portable and can be set up quickly and easily, saving you time and ensuring smooth installation.
