

# ALFA-LOK® Fasteners

Convenient . Powerful . Secure

Inside, outside or upside down VELCRO® Brand ALFA-LOK® Fasteners get the job done in a snap.

The hook to hook fasteners feature Snap-Lock Technology for precise, semi-permanent flush mounting indoors or out. Easily mount cameras, lights, sensors, and solar powered accessories, even in hot or cold conditions.

No tools required. Just apply to a clean, dry surface, allow the adhesive to set, and SNAP you're done.

Superior hook to hook fastener features Snap-Lock technology.

Semi-permanent holding power to most smooth flat surfaces.

Water & UV resistant in extreme temperatures (-40°C to 90°C).

For precise, semi-permanent mounting, including onto PVC.
