

2U Wall Mount Bracket

2U Wall Mount Bracket (MCMpan PT)

The 2U 19" wall mount equipment rack bracket offers a versatile storage solution for telephone systems, network devices, power strips and patch panels to be mounted vertically (flush with wall) to save space. Alternatively, the 2U bracket can be installed horizontally under a desk or shelf, making it easy to access installed equipment directly from your workspace.

Features

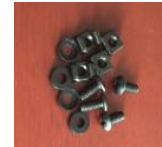

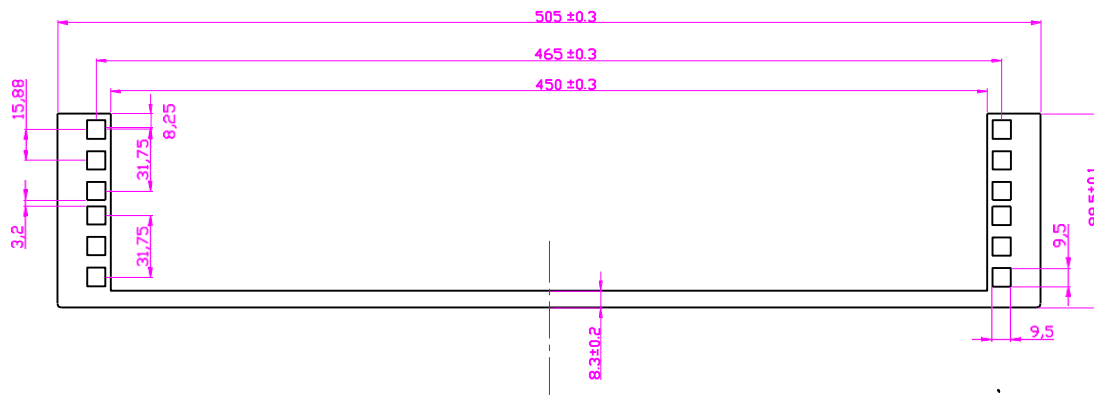

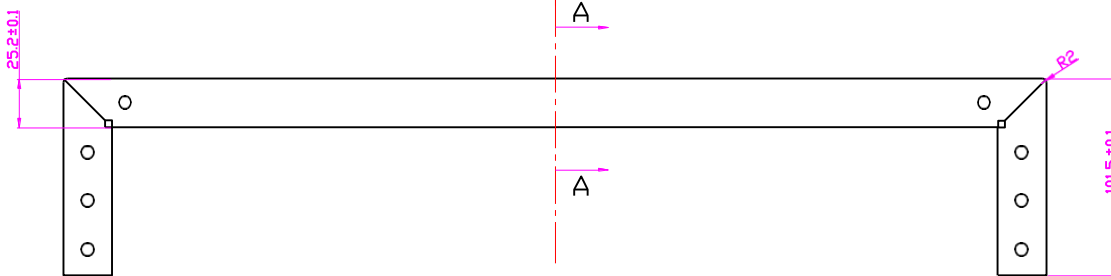

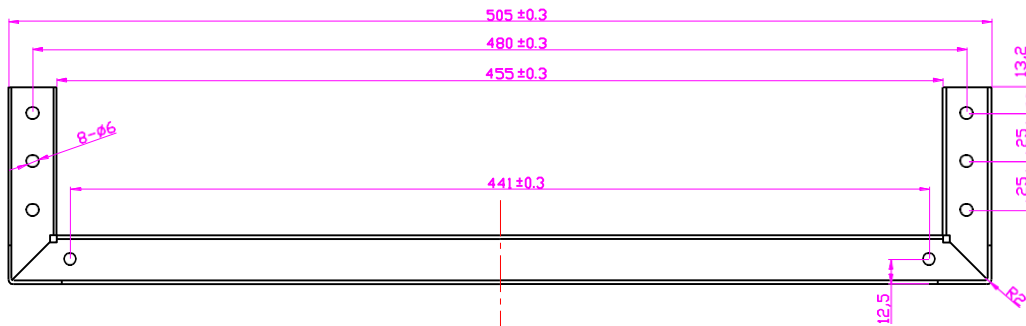

- Mount server, network or telecommunications devices vertically with this 2U wall mountable rack
- Equipment can be wall mounted vertically or horizontally
- Compatible with most 19" rack mountable equipment
- Wall mounting holes provide great stability and mounting into standard wall studs
- Made from solid steel for durability
- Supplied with cage nuts and screws for easy equipment mounting
