

Product Datasheet

Product code: **PP2007E**

Product type: TEK-ME Carbon Steel Hand tools

Made in: Italy

Description: The PP2007E is a medium Flat-nose pliers. Its medium size (3mm thick) and the long serrated jaws makes this tool suitable for gripping components in hard-to-reach areas and for delicate electronics applications. The pliers are equipped with an ESD and ergonomic handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharges.

Head description: Long, Flat Nose

Body material: Carbon Steel (C70)

Body finishing: Phosphated
