

Single and Double Gang Angled Back Boxes In Black

Single and Double Gang Angled Back Boxes (3LABk, 3LAG2Bk):

Our range of black angled back boxes provide a simple and stylish solution for corner mount applications, suitable for use with standard UK single and double gang black and decorative faceplates. Ideal for use by voice, data and multi-media installers.

Features:

- Suitable for bench mounting installations or corner installations, these pattresses are designed to accommodate standard 1 gang (86x86) and 2 gang (86x146) faceplates.
- · Angle provides ease of access and increased depth allowing for wider range of connectivity
- Selection of mounting holes for ease of installation
- Cable entry knockouts on all sides of the back box as well as the base for maximum flexibility
- Suitable for use as a pedestal box
- Supplied with mounting screws
