

# HSS M2 Rolled Forged Straight Shank Twist Drill Bit Set

**RoHS  
Compliant**

## Description

This DIN 338 HSS M2 Rolled & Forged Straight Shank Twist Drill Bit Set is a versatile 19-piece set engineered for precision and durability. Made from high-speed steel (HSS M2), these bits deliver reliable performance across various materials. Crafted to DIN 338 standards with a rolled and forged straight shank design, they provide stability and reduced breakage, making them ideal for both professional and DIY use.

This set covers a wide range of sizes from 1mm to 10mm in 0.5mm increments, allowing for precise hole sizing and adaptability across numerous applications. Each bit's twist design ensures efficient material removal and smooth drilling, while the set's range makes it an essential toolkit addition for anyone working with metal, wood, or plastic.
