## Description

These Metric Square Zinc-Coated Plates are available in multiple size options to suit a variety of projects and applications. Designed for durability, these plates feature a protective zinc coating that enhances corrosion resistance, making them suitable for indoor and outdoor use. Offered in sizes of 100x70 mm, 150x100 mm, and 200x130 mm, these plates come with the flexibility of a base or no-base option to fit specific mounting or structural requirements. Ideal for both professional and DIY applications, these plates provide a reliable solution for structural support, mounting, and reinforcement tasks.

## Part Number Table
