

#### Product Search Data Sheet

Note: If you have not downloaded this document from our official website, please note that the information provided may not be the most current. Please download the latest datasheet of DK1B3EA681K86HBH01 from the official website of Murata

### DK1B3EA681K86HBH01

### **Applications**

| Unsuitable               | Please be sure to read and comply with     |  |
|--------------------------|--|--|
| Applications             | these "Precautions for use."               |  |
| Specific<br>Applications | Consumer equipment,Industrial              |  |
|                          | Equipment,Mobile Electronics,Medical       |  |
|                          | equipment [GHTF A/B/C] except for          |  |
|                          | implant equipment,Automotive               |  |
|                          | infotainment/comfort equipment             |  |
|                          | Please refer to Our Website and            |  |
|                          | specifications, etc. for information about |  |
|                          | the performance, functions, quality,       |  |
|                          | management, and safety required for        |  |
|                          | the above applications, and use            |  |
|                          | Products after confirming the              |  |
|                          | performance and reliability of the actual  |  |
|                          | Product.                                   |  |

#### **Notices**

X1/Y1 Class Certified Products. Rated Voltage X1:440Vac(r.m.s.)/1500Vdc Y1:300Vac(r.m. s.)/1500Vdc

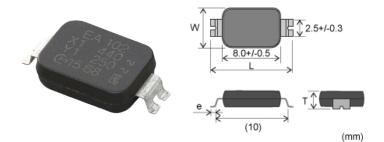

#### References

| Packaging | Specifications   | Standard<br>Packing<br>Quantity |
|-----------|------------------|---------------------------------|
| Н         | 180Embossed Tape | 500                             |

| Mass (typ.) |       |
|-------------|-------|
| 1 piece     | 0.28g |

# Appearance & Shape

1 of 4

1. This datasheet is downloaded from the website of Murata Manufacturing Co., Ltd. Therefore, it's specifications are subject to change or our products in it may be discontinued without advance notice. Please check with our sales representatives or product engineers before ordering.

2. This datasheet has only typical specifications because there is no space for detailed specifications.

Therefore, please review our product specifications or consult the approval sheet for product specifications before ordering.

# Note: If you have not downloaded this document from our official website, please note that the information provided may not be the most current.

# DK1B3EA681K86HBH01

# **Specifications**

| Length   | 11.4±0.5mm     |
|--|----------------|
| Width  | 6.0±0.5mm      |
| Thickness  | 2.5mm max.     |
| Capacitance                                      | 680pF ±10%     |
| Metal terminal width e                           | 0.75±0.3mm     |
| Operating Temperature<br>Range                   | -40°C to 125°C |
| Rated Voltage                                    | 300Vac(r.m.s.) |
| Capacitance change rate                          | ±10%           |
| Temperature characteristics (complied standard)  | B(JIS)         |
| Temperature range of temperature characteristics | -25°C to 85°C  |
