# TC-195-TM-X

Type TNC, male (plug), straight, TC style connector for FBT-195 and LMR<sup>®</sup>-195 type cables. The TC-195-TM-X features a solder-pin connector and is a perfect option for stranded center conductors. The TNC is a miniature, threaded, weatherproof connector with a contact design similar to a BNC series and a higher frequency performance.
