

DURACELL®

Rechargeable

2-in-1 USB Charger

BENEFITS

- Duracell's most powerful USB charger
- Ability to charge 2 devices at once
- Swinging Mini USB arm and USB charge port

FEATURES

Internal Lithium-ion Battery; 2000 mAh

- High energy density
- On / off switch for low self discharge

Bi-Color Charge Status LED Indicator

- Green = Power On
- Red = Low Battery

Charging of USB Enabled Devices

- Mini USB retractable arm
- Mini USB cable included
- Dual USB output; Mini and USB

Charges Apple Devices

- Apple cable required

Recommended Charging via USB 2.0 Output

SAFETY

Battery protection circuit

- Over voltage and under voltage
- Output overload protection

TECHNICAL

Plug	USB and Mini USB Cable; Mini USB Retractable Arm
Battery Type	Lithium-ion; 3.7V / 2000 mAh
Battery Fit	2 or 4 NiMH AA/HR6 / 2 or 4 NiMH AAA/HR03
Product Weight	97 grams
Input	USB 5V/0.8A
Output	2 USB outputs; 5V/0.75A each
Operating Temperature	5 °C - 40 °C
Product Dimensions	90 mm (L) x 40 mm (W) x 10.5 mm (H)

*Charge rate and time is dependent on cell capacity, discharge state, and operating temperature.
