

# CRV3

## Li-Ion Charger

- Specially designed to charge CRV3 LiION batteries used in digital cameras
- Will fully recharge one battery in 1 - 2 hours
- Worldwide voltage input 100 - 240 AC
- Use from AC mains or cigarette lighter plug 12V
- LED display for quick charge/ready mode
- Complete with 1 x CRV3 battery
- Automatic cut off/short circuit protection

# **Energizer**

*Extra energy when you need it most*

new

# PC90

15 minute charger

- 15 minute charger
- Will charge 1 - 4 AA/AAA batteries
- Individual LED displays to indicate rapid/trickle mode and faulty cell detection
- Automatic timer protection
- Automatic thermal cut off
- Universal volatge 100 - 240V AC

**FAMEART**  
ONE STOP POWER SOLUTION

new

# PC80

15 minute intelligent charger

- Fan cooled charging
- Individual channel charging for 1 - 4 batteries
- Auto detect for standard and 15 minute batteries
- Universal voltage 100 - 240V AC or from car cigarette socket 12V
- LED charging status - fast/slow/trickle
- Reverse polarity protection
- Incorrect battery detection

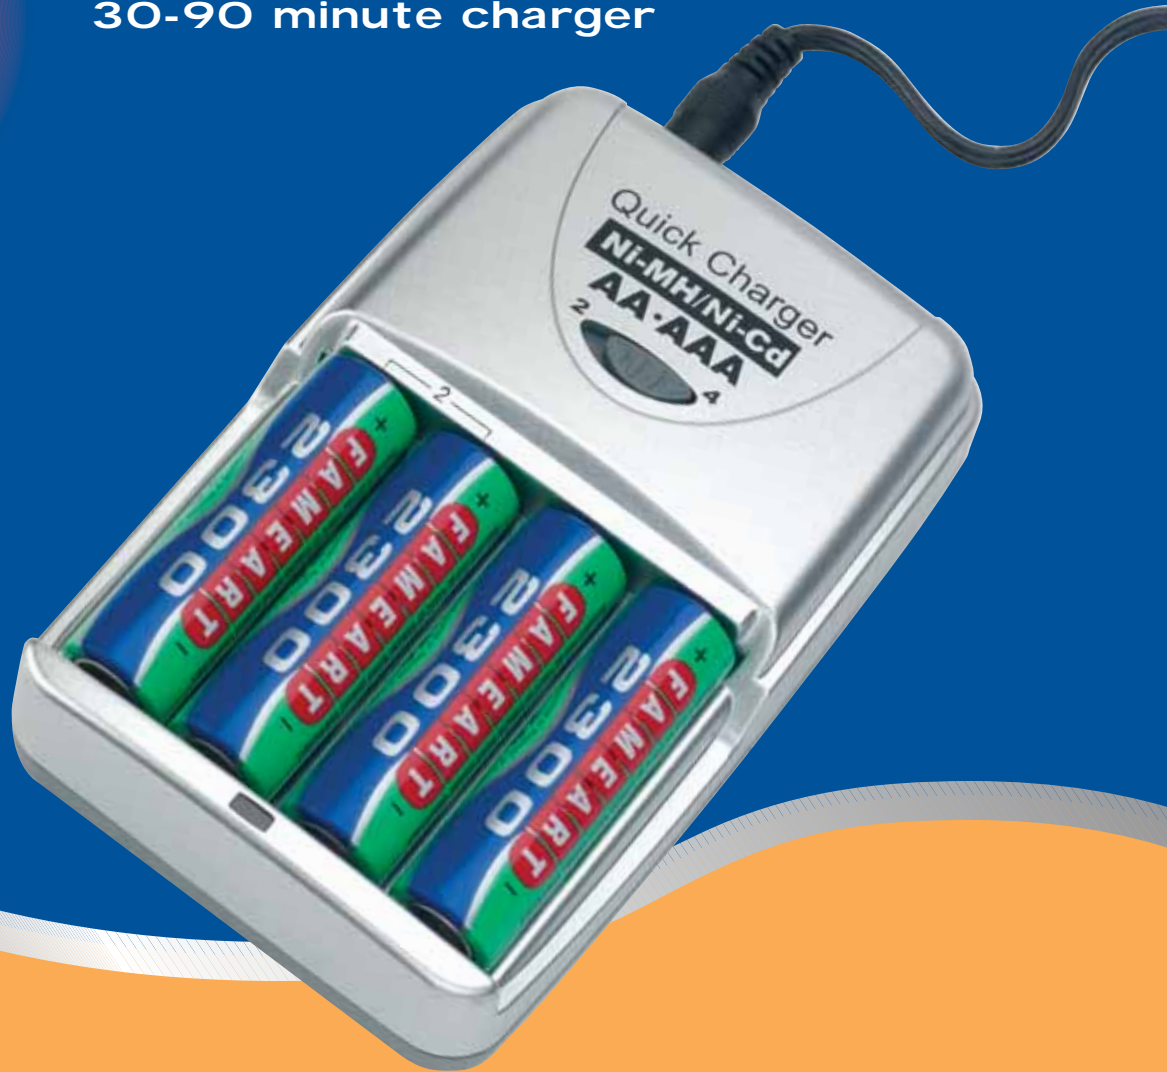

**FAMEART**

ONE STOP POWER SOLUTION

new

# PC70

30-90 minute charger

- 30 - 90 Minute charger
- Will charge both NiCd and NiMh batteries
- Built in safety timer
- Use from AC mains or cigarette lighter plug 12V
- Delta V detection and timer protection
- Automatic charging current selection for AA/AAA
- LED display for rapid/trickle charge
- Faulty cell detection

**FAMEART**  
ONE STOP POWER SOLUTION

new

# 2500mA

Switchmode power supply

- Ideal for digital cameras and multimedia IT equipment
- Universal voltage 100 - 240V AC
- 7 voltage output selections
- Short circuit and overload protection
- Power LED monitor
- Complete with 7 detachable plugs

**FAMEART**  
ONE STOP POWER SOLUTION

new

# 2500mAh Ni-MH Battery

- AA 2500mAh Ni-MH Battery
- Highest capacity AA Battery
- Higher capacity for longer performance
- Can be charged up to 1000 times
- No memory effect

**FAMEART**
