Services Available:

Custom end plates
CNC Machining
Non-standard lengths

Series	Width	Height
1	2.50"	1.18"
2	4.27"	1.18"
3	4.27"	1.77"
4	6.68"	2.41"
5	5.24"	1.37"

Product Name	Size	Products List	Part Number
BEX Series 5	1.37Hx5.25Wx3.15L"	Custom lengths available!	B5-080
BEX Series 5	1.37Hx5.25Wx6.30L"		B5-160
BEX Series 5	1.37Hx5.25Wx8.66L"		B5-220

Product Name	Part Number
<u>Dovetail mounting flange, black anodized, slides into side of extrusion, 1.57" long - SOLD INDIVIDUALLY</u>	MF40BK
<u>Dovetail mounting flange, blue anodized, slides into side of extrusion, 1.57" long - SOLD INDIVIDUALLY</u>	MF40BL
<u>Dovetail mounting flange, gold anodized, slides into side of extrusion, 1.57" long - SOLD INDIVIDUALLY</u>	MF40GD
<u>Dovetail mounting flange, green anodized, slides into side of extrusion, 1.57" long - SOLD INDIVIDUALLY</u>	MF40GR
<u>Dovetail mounting flange, red anodized, slides into side of extrusion, 1.57" long - SOLD INDIVIDUALLY</u>	MF40RD
<u>Dovetail mounting flange, silver anodized, slides into side of extrusion, 1.57" long - SOLD INDIVIDUALLY</u>	MF40SI
<u>Dovetail mounting flange, black anodized, slides into side of extrusion, 3.15" long - SOLD INDIVIDUALLY</u>	MF80BK
<u>Dovetail mounting flange, blue anodized, slides into side of extrusion, 3.15" long - SOLD INDIVIDUALLY</u>	MF80BL
<u>Dovetail mounting flange, gold anodized, slides into side of extrusion, 3.15" long - SOLD INDIVIDUALLY</u>	MF80GD
<u>Dovetail mounting flange, green anodized, slides into side of extrusion, 3.15" long - SOLD INDIVIDUALLY</u>	MF80GR
<u>Dovetail mounting flange, red anodized, slides into side of extrusion, 3.15" long - SOLD INDIVIDUALLY</u>	MF80RD
<u>Dovetail mounting flange, silver anodized, slides into side of extrusion, 3.15" long - SOLD INDIVIDUALLY</u>	MF80SI

Mounting Flanges

Screws, Self-Tapping

Product Name	Part Number
<u>Screws, No. 4 self tapping, black, set of 8, for all BEX enclosures.</u>	STB-008
<u>Screws, No. 4 self tapping, black, set of 400, for all BEX enclosures.</u>	STB-400
<u>Screws, No. 4 self tapping, silver, set of 8, for all BEX enclosures.</u>	STS-008
<u>Screws, No. 4 self tapping, silver, set of 400, for all BEX enclosures.</u>	STS-400

Screws, Thread-Forming

Product Name

Screws, M3 TORX head thread forming, black, set of 8, for all BEX enclosures.
Screws, M3 TORX head thread forming, black, set of 400, for all BEX enclosures.
Screws, M3 TORX head thread forming, silver, set of 8, for all BEX enclosures.
Screws, M3 TORX head thread forming, silver, set of 400, for all BEX enclosures.
