hp deskjet 6122

hp deskjet 6122 printer

The HP Deskjet 6122 brings professional print quality to your small business or home office. It delivers up to 20 pages per minute of laser-sharp black text and up to 13 pages per minute in brilliant colour.

Designed for professionals looking for high-quality black and colour output, and a cost-effective, high-volume printing solution for their small business, home office, or for personal use within an enterprise environment.

High speed printing, money-saving features.
• Up to 20 pages per minute in black and up to 13 pages per minute in colour.
• 42 ml black inkjet print cartridge cuts costs and lasts longer.
• Cancel print jobs at the touch of a button, saving you time, money and hassle.

Professional-quality output.
• Laser-sharp black text for all your official documents.
• Stunning colour graphics and photos with up to 4800-optimised dpi* or HP Photoret III precision technology.
• Paper-type sensor optimises print settings and guarantees great results every time.
• Print longer-lasting documents and photos with HP's specially developed inks and papers.
• Instantly print what you see on screen – ideal for Web pages, online transactions and error messages.

Efficient paper handling.
• Automatic two-sided printing reduces paper costs.
• 150-sheet standard paper tray and optional 250-sheet paper tray for a total capacity of 400 sheets cuts down on time-consuming refills.

*Up to 4800 x 1200-optimised dpi colour printing on premium photo papers, 1200 x 1200 input dpi.
