Hook and Loop TEXTIE®

Features and Benefits

Quick and simple to use without the need for tools they have no waste, are corrosion free, are resistant to ageing and are re-usable (up to 400 times).
Various colours are available to enable easy identification of multiple cable runs.

Application

As cables use thinner and softer insulation, and as fibre optic cables become more common there is a need for a 'soft' method of bundling. The TEXTIE®s are ideal for use on telephone cables, optical fibre and network cables up to Class 6.
Perfect for use in temporary installations such as theatre stage construction or proto-type cable harnesses.

GTM-Series Mounts for fixing are available on request. Please contact us!

There is a wide range of private or office applications for the TEXTIE®-Series.
