# Olimex - MOD-NOKIA6610 - Display - Dev Kit

Product Overview:

MOD-NOKIA6610 is development board with UEXT universal connector and can be attached and add LCD functionality to all other development boards with this connector

Kit Contents:

- Cable for UEXT connector
- MOD- NOKIA6610 module board

Key Features:

- NOKIA6610 TFT LCD, 4096 colors, backlight
- DC/DC backlight converter
- UEXT to connect to host microcontroller (standard connector on our ARM development boards)
- 0.1" step connectors for plug-in on top of other PCB
- Dimensions: MOD-NRF24LR - 34x18 mm (1.34x0.7"); MOD-NRF24LS - 51x18 mm (2.0 x 0.7")
