TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

MICRO TIM PIN 1,6X0,6

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from TE Connectivity Kurim Czech Republic to TE Connectivity Thailand: PN 963904-1, 963908-1. The plan is split on two production locations. First one is covered the Asia Pacific demand, which is approximately 186 million pieces per year for both PN's at production location is in Thailand. Second one production location will stay at TE Kurim - Europe, to covered the rest of the customer demand.

Reason for Changes:

Dear Customer, we hereby inform you about a transfer of stamping DIE's. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN
