### DESCRIPTION AND PURPOSE OF CHANGE:

In order to increase the production capability Würth Elektronik will implement an additional production line of the ferrite core.

All products with date code 2020-03-20 or later, will be affected by this change.

There will be no change in form, fit, function, quality or reliability of the product.

### DETAIL OF CHANGE:

Neither electrical nor mechanical properties of the part will be changed.

The production line of the ferrite core used in the assembled Snap Ferrite can be identified by the fifth digit of the lot number: XXX X~~X~~ XX XXXX XXX

Ferrite core used from already established production line:	Ferrite core used from additional production line:
Lot number: XXX X <del>1</del> XX XXXX XXX Country of Origin on Delivery Note: Taiwan	Lot number: XXX X <del>2</del> XX XXXX XXX Country of Origin on Delivery Note: China

### RELIABILITY / QUALIFICATION SUMMARY:

The additional production line uses the same basic assembly technology and is released by the internal requirements of Product Management and Total Quality Management department.
